

Technical Information

Kresto® classic [KRESTO®]

Skin Cleansing

Special hand cleanser with solvent and scrubbing agent for extra-heavy-duty skin cleansing.

Description

Kresto® classic is a slightly acidic hand cleanser containing a solvent and a scrubbing agent and featuring very powerful cleansing action. The special solvent used is free from toxicologically questionable ingredients, such as halogenated or aromatic hydrocarbons. Kresto® classic cleans pore-deep without putting excessive stresses on the skin.

Area of Application

For extra-heavy-duty contamination, for instance from waste, mineral and lubrication oils, graphite, metallic dust and carbon black, which can only be removed with a solvent-containing hand cleanser.

Product Description

Beige, viscous suspension containing scrubbing agent Astopon® (refined walnut shell powder) and special solvent.

Instructions for Use

- Do not wet soiled hands.
- Rub in Kresto® classic thoroughly.
- Loosen dirt using just a little water.
- Thoroughly rinse off dirt and Kresto® classic.
- Dry carefully.

Features and Benefits

Features	Benefits
contains Eucornol® skin protectant	<ul style="list-style-type: none"> • reduces the occurrence of skin irritations
contains natural scrubbing agent Astopon®	<ul style="list-style-type: none"> • particle size that is gentle on skin • is biodegradable and poses no problems for waste-water treatment or waste-water sludge • is a renewable raw material and therefore kind to the environment • easily rinsed away, preventing blocked drains and pipes
non-soapy	<ul style="list-style-type: none"> • helps to stop the skin swelling
dermatologically tested	<ul style="list-style-type: none"> • minimizes the risk of skin incompatibility
skin neutral pH (slightly acidic)	<ul style="list-style-type: none"> • helps to maintain the natural, acidic protective mantle, whose function includes protecting the skin from bacterial and fungal infection
contains biodegradable surfactants	<ul style="list-style-type: none"> • does not pollute the environment
silicone-free	<ul style="list-style-type: none"> • can be used in a whole range of production processes
